Level	1	1	1	1	1	1	-

1. The percentile is a comparison score between a particular students' score and the scores of the rest of the group. It shows the percentage of students whose scores fell below the student in concern.
2. For Language Arts, Mathematics, and Inquiry Areas, 'Level' refer to the stanine score, where the raw score is scaled on a nine-point standard scale. Level 1 is the highest level and Level 9 is the lowest level.
3. The level of Korean History and Foreign Language/Classical Chinese is determined by taking raw scores in five-point increments while that of English is determined by ten-point increments. For instance, English raw scores within 90 and 100 are Level 1, scores within 80 and 89 are Level 2, and so on through Level 9. As for Korean History, scores within 40 and 50 are Level 1, scores within 35 and 39 are Level 2, and so on through Level 9. As for Foreign Language/Classical Chinese, scores within 45 and 50 are Level 1, scores within 40 and 44 are Level 2, and so on through Level 9.
4. '-' indicates that the student did not register for the area/subject.
5. '*' indicates that the student registered for the area/subject but was absent from the test.

The above information is certified true and accurate.
